

UGANDA CANCER INSTITUTE CAMPUS, KAMPALA

Every child deserves a chance.

Reg. No. S.5914/6566

Uganda Child Cancer Foundation (UCCF) is Uganda's first civil society organisation dedicated exclusively to childhood cancer — founded in 2006 by doctors, nurses, and parents at the Uganda Cancer Institute. We provide the life-enabling support that keeps children in treatment and gives them a fighting chance at survival.

THE CHALLENGE

3,200

new childhood cancer cases in Uganda every year

1 in 3

children ever access specialised treatment

<35%

survival rate at UCI vs 90%+ in high-income countries

IMPACT AT A GLANCE

1,000+

children supported annually

200+

schools in the 3C network

18+

years of service

4+

research projects since 2023

OUR FOUR PROGRAMMES

01

Patient Support

Diagnostics, cancer medication, nutrition, transport, psychosocial counselling, WASH, and caretaker support — enabling 1,000+ children to complete treatment annually.

02

Education & Awareness

3C Programme in 200+ schools, community outreach, health worker training, and national media campaigns to drive early detection and reduce stigma.

03

Research

National paediatric cancer registry, treatment abandonment research, and representation at ASCO, St. Jude Global Alliance, and the 4th Global NCD Forum.

04

Resource Mobilisation

Childhood Cancer Colour Run (5,000–6,000 participants, May 2026), Guardian Angel monthly giving, Annual Dinner, in-kind partnerships, and policy advocacy.
