

UGANDA'S FIRST CSO DEDICATED TO CHILDHOOD CANCER

Every child deserves a chance.

Founded in 2006 at the Uganda Cancer Institute, UCCF ensures that no child abandons cancer treatment because of poverty, distance, or lack of support — providing direct patient care to 1,000+ children each year.

THE CHALLENGE

3,200

new childhood cancer cases in Uganda every year

1 in 3

children ever access specialised treatment

<35%

survival rate at UCI vs 90%+ in high-income countries

IMPACT AT A GLANCE

1,000+

children annually

200+

schools in the 3C network

18+

years of service

4+

research projects since 2023

OUR FOUR PROGRAMMES

01 — PATIENT SUPPORT

Medical + Non-Medical Care

Diagnostics, medication, nutrition, transport, psychosocial counselling, WASH, and caretaker support for children at UCI.

02 — EDUCATION & AWARENESS

3C Schools + Outreach

200+ school clubs, community outreach, health worker training, and national media to drive early detection.

03 — RESEARCH

Data That Saves Lives

National cancer registry, treatment abandonment research, and representation at ASCO, St. Jude Alliance, and global NCD forums.

04 — RESOURCE MOBILISATION

Colour Run & More

Annual Colour Run (5,000–6,000 participants), Guardian Angel monthly giving, corporate partnerships, and policy advocacy.

"No child battling cancer in Uganda should be left behind. Every child deserves a fighting chance — regardless of where they come from or what their family can afford. That is not an aspiration. It is a commitment."

— Moses Echodu, Executive Director, UCCF · moses.echodu@uccfug.org · +256 700 589 714
